COMNAVCRUITCOM INSTRUCTION 1430.8

From: Commander, Navy Recruiting Command

Subj: ENLISTED RECRUITER OF THE YEAR (EROY)

Ref: (a) BUPERSINST 1430.16
(b) OPNAVINST 1430.4
(c) OPNAVINST 6110.1

1. Purpose. To provide policy and procedures for the Active Component (AC) and Reserve Component (RC) Enlisted Recruiter of the Year (EROY) Program.

2. Background. The EROY program was established to recognize one outstanding Active Component (AC) and one Reserve Component (RC) recruiter based on their production attainment and overall contribution to the Navy recruiting mission. Recruiting duty is unique in that it takes recruiters away from bases, ships and other resources where they are able to study for their rating exams. With the limited study material and the rapid changes to ratings, recruiters that are removed from their ratings for three years are at a disadvantage. EROY program eligibility requirements differ from all other Sailor of the Year (SOY) programs.

3. Discussion. Navy Recruiting Command (NAVCRUITCOM) will establish the EROY competition criteria each year.

4. Eligibility

a. Must meet all eligibility requirements per references (a) and (b).

b. Must be in paygrades E6 and below.

c. Must meet a minimum of one year Time in Rate (TIR) prior to effecting the advancement to the next higher paygrade. Advancement will be delayed as necessary to meet this requirement. The one-year TIR requirement constitutes a waiver of the established Navy TIR requirements of three years as an E5 or E6 prior to advancement. This waiver may not be applied if the selectee was meritoriously advanced to the present paygrade and has less than two years TIR in the current paygrade. In this situation, the

meritorious advancement will be delayed as necessary to achieve three years TIR prior to effecting the advancement.

d. Candidates must meet the health and physical readiness requirements outlined in reference (c) and have passed the latest Physical Fitness Assessment (PFA).

Note 1: Emphasis should be placed on sustained superior performance and overall contribution to the team effort.

Note 2: Strong consideration should be given to contributions toward achievement of priority, diversity, and quality targets.

5. Action

a. Navy Recruiting District (NAVCRUITDIST) Commanding Officers shall:

(e) Technical readiness to perform at the next higher paygrade.
